Working to conserve Jefferson County Open Spaces since 1972

PLAN Jeffco is the county-wide volunteer citizen's group that organized and drafted the Open Space Resolution that resulted in the formation of the Jefferson County Open Space Program in 1972. PLAN Jeffco functions as a watchdog group, observing meetings of the Open Space Advisory Committee, participating in subcommittees and issues groups, proposing and working for important land acquisitions, and keeping citizens informed of what is going on in their Open Space Program.
