First Name _____ Last Name _____

Street Address _____

City _____ State _____ Zip _____

Preferred Email _____

Home Phone _____ Cell Phone _____

Prework Policy

- In between sessions you will be provided with readings, thought provoking questions to ponder, and suggestions for new ways to appreciate our fabulous open spaces. We heartily recommend that you do your best to complete these prior to each class meeting, as this will enhance your understanding and possibly, appreciation, for the material which will be covered in each class.

Attendance Policy

- The Stewardship Academy program is seven weeks long. In order to get the most benefit from this program, it would be best if you were available for all of the classes.
- There will not be an opportunity to “make up” a missed class, nor can we guarantee that any of the classes will be recorded for playback.
- These classes may be held virtually or in person, based on CDC and State of Colorado recommendations.
- In the case where classes will be held virtually, you must provide your own computing device with both audio and video capability, and a good connection to the Internet.
- The exception to the preceding point will be class #7, the Stewardship Project, which will be in-person, in one of the Jeffco Open Space Parks.
