Optional Field Stewardship Project:

- In the afternoon preceding the beginning of this course there will be an opportunity to participate in a field stewardship project in one of the Jefferson County Open Space Parks. The estimated time for this project will be 2 hours. Participants should be comfortable with hiking in the OS Parks, and are advised to pack water and extra clothing, as dehydration and fast weather condition changes can happen any time of the year. If you are interested in participating in this field stewardship project, please sign:

Attendance Policy

- This Stewardship Academy is an all-day event. In order to get the most benefit from this program, it would be best if you can arrange to attend for the entire day.
- There will not be an opportunity to “make up” a missed section of the Academy program, nor can we guarantee that any of the sections will be recorded for playback.
- This Academy is intended to be held in person. However, based on the State of Colorado recommendations regarding health warnings, it may have to be held virtually, for everyone’s safety.
- In the case where the Academy program must be held virtually, you must provide your own computing device with both audio and video capability, and a good connection to the Internet.
